Make checks payable to the Association of Professional Genealogists with “Writers SIG dues” noted in the memo field. Mail to Kathy Hinckley, Association of Professional Genealogists, PO Box 535, Wheat Ridge, Colorado 80034-0535.

To pay via PayPal, go to the Writers Special Interest Group page on the member-only side of the APG website.

Writers SIG Group Page

The APG Writers SIG maintains a private Google Group page. This is the place for writing related questions and discussion. It is also the place to find group emails and meeting links. Because it is a private group, a Gmail address is required to access it directly.

A Gmail address is not required to join the Writers SIG; one is only needed to view this page.

To access the Writers SIG group page, log in to the Gmail address listed on your membership application. Then go to <http://groups.google.com> > My Groups > APG Writers SIG. If you do not provide a Gmail address, meeting links and information will be sent to the email address you provide.
